

A photograph of several graduates in black academic regalia with red and blue stoles, smiling at a ceremony. A blue banner in the background reads "Higher Education Awards Ceremony".

## Pre Access to Medical Health and Science Professions - Y049

This programme is for adult learners wishing to pursue a career in Medical Health and Science related professions. This course will be accepted for progression onto Access Midwifery, Nursing, Biomedical Sciences, Psychology and Mental Health, Environmental and Public Health.

### COURSE DETAILS

This course primarily covers Health, Biology, Human Physiology and other science related subjects. For adults, experience of working in the science or health related sectors would be advantageous. You will be taught over a day and half on campus, with some blended online learning. You will also get the opportunity to undertake field work as well as trips and visits.

### ENTRY GUIDELINES

Relevant Level 1 qualification or minimum of 3 GCSEs at Grade 3/D or above (preferably including Science, Maths and English).

Satisfactory interview and assessment.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

### ASSESSMENT METHOD

Portfolio and assignments such as reports, presentations, academic posters.

## ADDITIONAL INFORMATION

This is a full level 2 diploma and is accepted as an equivalency to GCSE in science or health subjects.

## WHERE CAN I PROGRESS TO?

- Access to Higher Education - Biomedical Science - S152
- Access to HE Diploma (Pharmacy and Pharmaceutical Sciences) - Y051
- Access to Higher Education - Nursing and Allied Health Professions - J004

Apprenticeships
