

## BTEC Animal Management 90 Credit Diploma - S122

Students will be working with the college's varied small animal collection. The course balances both practical and theoretical studies. You can also develop skills like:

- Communication
- Information Technology
- Employability skills

Units to study include:

- Promote animal health and welfare
- Animal genetics
- Safe animal handling
- Breed development
- Animal nutrition
- Pet store design
- Animal behaviour
- Animal training
- Animal organisations

## COURSE DETAILS

BTEC Level 3 90 credit Diploma in Animal Management is designed to provide a specialist work-related qualification in the animal care/land based sector. It provides learners with the knowledge, understanding and skills that they need to prepare for employment. The qualification also provides career development opportunities for those already in employment, and a pathway to higher education.

## ENTRY GUIDELINES

- This is a study programme for students that are 16-18 years.
- Students' will need to have 5 GCSEs at grades C/4 or above including Maths and English and Science or BTEC level 2 Diploma (merit grade or higher) with maths and English at grade C/4.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

## EQUIPMENT REQUIRED

You will be required to bring paper, pens, a folder and wear clothing suitable for working with animals (details will be given when you start the course). You will be able to purchase or borrow a lab coat, which must be worn for animal handling sessions.

## ASSESSMENT METHOD

BTEC students are assessed through assignments and projects. Several of the assignments are based on practical activities.

## ADDITIONAL INFORMATION

### Are you aged 16-18?

**Study programmes** are full-time courses for 16-18 year olds which include:
