

BTEC Animal Management First Diploma - S102

This course is designed to give you the skills you need to either progress in education or into employment. It will cover all aspects of animal care including grooming, animal health and habitat management.

COURSE DETAILS

This course has a balance of practical and theoretical studies and consists of a number of modules such as:

- Animal care
- Animal health
- Work experience
- Introduction to biology
- Breeds and grooming
- Industry and organisations
- Habitat management
- Practical handling and maintenance

ENTRY GUIDELINES

- This is a study programme for students 16-18 years.
- 3 GCSEs at grades 3/D (Science, Maths and English) or a level 1 qualification with grade 3/D English and maths.
- A satisfactory interview, assessment and school report or reference.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

EQUIPMENT REQUIRED

To learn effectively on your course you will need to use certain items of equipment and undertake particular activities as part of your studies. To further enhance your learning experience the following will be required: Personal Protective Equipment £30 Educational Visits £75 If you need support with these costs, don't worry, click on the link below and complete a bursary application form. <https://www.wmc.ac.uk/student-support/financial-support/bursaries-loans> Equipment purchased will be yours to keep and you will be able to use them for practice at home and in your future career. N.B. prices correct as of 23/06/2021

ADDITIONAL INFORMATION

To ensure you are enrolled on the right course of study, the first few weeks of the course will be an extended induction period. During this time your communication, numeracy and study skills, behaviour, time management and attendance will be assessed as well as your own preferred method of learning. If we believe the course does not meet your requirements, we will discuss suitable alternatives with you.

Are you aged 16-18?

Study programmes are full-time courses for 16-18 year olds which include:

- A qualification such as BTEC Extended Diploma
- Meaningful work experience or preparation for work
- English and maths if you don't already have GCSE grade A* - C (grade 4 or above), in English and maths
- Non-study activities such as tutorials, voluntary work, fund-raising/charity work, sport or trips

WHERE CAN I PROGRESS TO?

On successful completion of Level 2 Animal Management with GCSE English grade C/4 and GCSE Maths grade C/4, you may be able to progress to a BTEC Level 3 course or into employment within a veterinary practice, animal welfare and rescue centre, boarding kennel or cattery, pet store or grooming parlour.
