

Aspiring Professional - Plastering - R307

The Aspiring Professional course in Plastering offers a solid stepping stone into the world of construction, giving beginners the essential skills to get started.

Students learn the fundamentals of surface preparation, material mixing, and plaster application through a blend of classroom instruction and hands-on workshop training. Whether aiming for advanced study or an entry-level job on-site, this course lays the groundwork for a successful future in plastering.

COURSE DETAILS

You will study:

- Apply Plaster to Internal Surfaces
- Apply Render to External Surfaces
- Construction Health and Safety
- Preparing Background Surfaces for Plasterwork
- The Construction Industry

TIMETABLE INFO

3 days per week incorporating maths, English, work experience and tutorial.

ENTRY GUIDELINES

This is a Study Programme for students aged 16-18 years.

If you are yet to gain any formal qualifications (e.g. GCSE's) you will be enrolled onto our Aspiring Professionals Programme which is perfect for progression to further study at level 2 or alternatively an apprenticeship route into employment.

Basic levels of literacy and numeracy are required for you to study at this level (grade 2 or below in English/Maths)

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

EQUIPMENT REQUIRED

For this course, you will be required to have

- Work boots
- Personal Protective equipment (PPE)
- A pen and paper
