

Aspiring Professional - Plumbing - R306

Start your journey towards a career in Plumbing.

If you're aiming for a hands-on career as a plumber or heating engineer, the Aspiring Professional in Plumbing course is the perfect place to begin.

Whether your goal is to join an established company or eventually run your own business, this course gives you the essential skills to take that first step. You'll learn how to install, service, and repair hot and cold-water systems, central heating, bathroom suites, and kitchens — everything you need to build a strong foundation in the plumbing trade.

COURSE DETAILS

You will study:

- Health and safety
- Basic plumbing installation
- Introduction to the plumbing industry
- The routes available for a career in the plumbing industry

TIMETABLE INFO

3 days per week incorporating maths, English, work experience and tutorial.

ENTRY GUIDELINES

This is a Study Programme for students aged 16-18 years.

If you are yet to gain any formal qualifications (e.g. GCSE's) you will be enrolled onto our Aspiring Professionals Programme which is perfect for progression to further study at level 2 or alternatively an apprenticeship route into employment.

Basic levels of literacy and numeracy are required for you to study at this level (grade 2 or below in English/Maths)

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

EQUIPMENT REQUIRED

For this course, you will be required to have

- Work boots
- Personal Protective equipment (PPE)
- A pen and paper

WHERE CAN I PROGRESS TO?
