

## Certificate in Construction Skills - Brickwork (Part-time) - R274

This is a level 1 programme that will prepare you for re-engagement into education. It will develop basic practical skills in preparation for progression onto a Diploma course which is recognised within the industry.

### COURSE DETAILS

You will participate in practical activities that develop specialist techniques specific to brickwork. This will be underpinned with some basic theory that will outline the application of safe practices within the construction industry whilst developing an understanding of the materials and equipment used in brickwork and across other trades. There may be opportunities to engage in work experience offering an insight into the construction industry and across other trades and their contribution when working on a construction project.

### ENTRY GUIDELINES

No previous experience in brickwork is needed

Applicants will need to demonstrate basic English and maths skills at Entry level or above

IT skills would be beneficial

Satisfactory interview and assessment (including manual dexterity)

### EQUIPMENT REQUIRED

Protective footwear.

## ASSESSMENT METHOD

Observation of practical tasks and basic written knowledge tests.

## ADDITIONAL INFORMATION

PPE must be worn at all times in College and all students must arrive at sessions on time, prepared and ready to learn with pens, paper etc.

## WHERE CAN I PROGRESS TO?

Completion of a Level 1 programme will prepare students for progression at Level 2.
