

Electrical Installation Studies Diploma - R212

If you are looking to train as a fully qualified electrician installing in Commercial, Industrial and domestic locations, the City & Guilds 2365 course could be for you. This is now the default qualification for the traditional route to becoming an electrician whether or not you are employed by an electrical contractor. Please note at the end of the course you will have the status of an Electrician's Mate.

COURSE DETAILS

The City & Guilds 2365 covers the following subjects:-

- Commercial - such as supermarkets, offices, warehouses, schools, shops, restaurants, hospitals.
- Industrial - such as research/development parks, heavy manufacturing, buildings, factories.
- Domestic - such as houses, flats, bungalows, renewable, solar PV
- Agricultural - farms
- Maintenance services, local authorities
- Media - Electricians required for the day to day running operations in television, radio.
- Sporting venues - theatres, concert halls, stadium events.
