

Electrical Installation Studies - R235

If you are 19+ and you are looking to train as a qualified electrician installing in Commercial, Industrial and domestic locations, the City & Guilds 2365 course could be for you. This qualification alone does not make candidates fully qualified electricians but allows candidates to learn, develop and practise the skills required for employment and/or career progression in the Electrical Installation sector.

COURSE DETAILS

You will study the following units:

- Health and Safety in Building Services Engineering
- Understand the fundamental principles and requirements of environmental technology systems
- Principles of Electrical Science
- Electrical Installations Fault diagnosis and Rectification
- Electrical Installations: Inspection, Testing and Commissioning
- Electrical Systems Design
- Career awareness in building services engineering

Please note at the end of the course you will hold the status of an Electrician's Mate.

ENTRY GUIDELINES

3 GCSE at Grade 3/D or above including Grade 4/C or above in maths.

In some cases, applicants may be considered on their individual skills and experience.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

Office use only. Non Standard 19a.

EQUIPMENT REQUIRED

Students will be required to provide their own safety boots and drawing equipment.

ASSESSMENT METHOD

Assessment will be completed by practical and online tests.

ADDITIONAL INFORMATION

The course requires manual dexterity and physical stamina. You will need to lift and handle tools and materials.

WHERE CAN I PROGRESS TO?

Level 3 Electrical Installation or Level 2/3 NVQ (if you gain an apprenticeship or employment).

Explore potential careers via [Career Match](#) — it provides current local data on wages and employment prospects.
