

Micro & Nano Bead Hair Extensions - G122

The micro ring technique has no glue, sewing or braiding, it is quick safe and pain free. Nano ring hair extensions are 90% smaller than most micro ring systems. Being small allows for an invisible and comfortable finish.

COURSE DETAILS

The course is interactive practical training which will build your confidence in applying Micro and Nano ring hair extensions. You will learn how to section the natural hair, colour match, consultation, micro and nano hair application, how to blend the micro and nano ring hair, client aftercare, safe removal, how to advise clients on maintenance, health and safety.

ENTRY GUIDELINES
