

T Level Programme - Health - J232

The T Level in Health will equip you with the essential skills and knowledge to work in the Health sector, including providing insight into this dynamic sector.

Wirral Met is pleased to offer this new qualification which builds on our extensive experience of delivering Health courses in collaboration with employers and industry experts. In partnership with a number of NHS Trusts and healthcare providers, our programme ensures you will develop a real insight into the range of roles and services within this field. Your industry placement, alongside an employer set project and other activities will provide a strong basis to progress your career in this important sector.

T Levels are equivalent to 3 A Levels and their respective UCAS points, meaning that you can enter skilled employment or higher-level technical training or degree study in the health sector.

At Wirral Met you will be given the opportunity to specialise in either Supporting the Care of are of Children and Young People or Adult Nursing.
