

Prep for Life - Q105

These study programmes are for students with an EHCP.

Each student's journey with us will be tailored and structured around their individual EHCP outcomes.

Prep for Life study programmes aim to raise the aspirations of the young people who become our students and help them to achieve their own goals, particularly in the areas of employment, independence, good health and community participation.

COURSE DETAILS

- Students learn to run their own home in our purpose-built flat, which is designed to be fully accessible and meet students physical and sensory needs.
- Students learn independence skills such as: how to manage your own money, self-care, shopping and travel.
- Students develop their employability and customer service skills in our on-site catering enterprise.
- Students develop their independence through accessing our local community.

ENTRY GUIDELINES

An initial interview and assessment will ensure you are put in a class at the right level.

If English is not your first language, you may need an assessment before enrolling on this course. To discuss further, please contact the ESOL department on 0151 551 7144.

WHERE CAN I PROGRESS TO?

Due to the high levels of support and the nurturing environment, this course is considered a good transitional step towards Further Education for many students from specialist provision.

Prep for Life study programmes equip students with the Knowledge, skills and behaviours to successfully progress on to:

- Vocational study programmes within the college
- Supported Internships.
