

Preparation for Work - Q105

These study programmes are for students with an EHCP. Each student's journey with us will be tailored and structured around their individual EHCP outcomes. The intent of Prep for Life study programmes is to raise the aspirations of the young people who become our students and help them to achieve their own goals particularly in the areas of employment, independence, good health and community participation.

COURSE DETAILS

Students learn to run their own home in our purpose-built flat, which is designed to be fully accessible and meet students physical and sensory needs. Students learn Independence skills such as: how to manage your own money, self-care, shopping and travel. Students develop their employability and customer service skills in our on-site catering enterprise. Students develop their independence including accessing our local community.
