

Assessing Vocational Achievement Certificate - B067

This course is intended for those who assess both occupational competence in the work environment and vocational skills, knowledge and understanding in environments other than the workplace (for example a workshop, classroom or other training environment).

COURSE DETAILS

Individual programmes cover 3 units
Unit 1 - Understanding the principles and practices of assessment
Unit 2 - Assess occupational competence in the work environment
Unit 3 - Assess vocational skills, knowledge and understanding.

ENTRY GUIDELINES

You should be qualified to Level 3 in your specialist subject.

You must be able to access two students to assess and have the support of a co-signing assessor.

Be able to attend standardisation meetings with the centre which your students attend.

Occupational competence to a level higher than you will be assessing is required.

If English is not your first language, you may need an English Language assessment before enrolling on this course. To discuss further, please contact the English Language Unit - 0151 551 7144.

ADDITIONAL INFORMATION

Please note that this qualification requires that you can assess students in the workplace.

Variations of this qualification may be offered including the Award which covers 2 units.

You can start this course mid year, your start date will be agreed with your tutor. The average completion time is 6 months. If you are already practising it may be possible to achieve within 3 months.
