Economy!

This study programme is designed for those who aspire to work as Air Cabin Crew with scheduled, charter or low cost airlines. The course will provide you with the skill set to make the important first steps, with new and exciting links with industry specialists, and a mocked up cabin where experienced tutors will provide you with a realistic idea of what it is like to work in this dynamic industry.

COURSE DETAILS

As part of the Airline Cabin Crew study programme you will cover the following units:

- Working as Cabin Crew
- Airline Health, Safety and Security
- Aircraft Emergency Situations
- Dealing with Passengers on board an aircraft
- Cabin Service selling techniques
- Making passenger announcements on board an aircraft

Additionally we will also provide training leading to college certificates in the following:

- Food Safety and allergens awareness
- Food & Beverage Service
- First Aid at Work

At the end of the programme you will have the opportunity to be interviewed by a major airline. If you are successful you will be able to complete the Cabin Crew qualification before your training begins. If you do not secure employment at this point or wish to progress to a level 3 programme then you will continue to study Aviation Operations on the Ground, and examples of units covered are as follows:

- Health & Safety within Aviation
- Aviation Security
- Aviation Communications
- Airport Check-In Services

Many of our former students now enjoy successful careers with UK and International airlines flying to various destinations around the world.
