

## Wirral Met College – Local Offer Information

At Wirral Met College, we are passionate about providing inclusive education and creating opportunities for all. Our Inclusive Learning team supports young people with a wide range of learning difficulties and/or disabilities in a friendly and welcoming environment.

Our courses are carefully designed to promote independent living, employability skills, and personal development. We understand that every learner is unique, so we create flexible learning pathways that are tailored to meet each student's individual needs, goals, and aspirations.

Students benefit from:

- A caring and supportive environment with dedicated Learning Support Officers.
- Access to personal care and wellbeing support, delivered by experienced staff.
- Opportunities to build friendships, grow in confidence, and develop life skills that prepare them for their next steps—whether that be further study, supported employment, or greater independence.

We work closely with families, carers, and external professionals to ensure that students receive the support they need to thrive. We also offer transition support and guidance, helping students and their families make informed choices about their future.

At Wirral Met, every learner is valued and encouraged to achieve their full potential.

For more information about Inclusive Learning at Wirral Met College, or to discuss support options, please contact the Additional Learning Support team at:
