Due to current guidance around social distancing some events will be virtual or may be subject to change

We also have a section of our Virtual Learning Environment dedicated to all aspects of your progression including further study, apprenticeships and applying for jobs.

Student Advisers are available on webchat every working day or by phone through the college switchboard.

If you would like further information regarding courses or careers, whatever your age, qualifications or experience join the conversation on webchat or give us a ring!

If you are on a study programme your tutorial sessions will also cover employability skills and all of our vocational courses will prepare you for the workplace.

Wirral Met Student Services holds matrix accreditation for Information, Advice and Guidance and is actively working towards the Gatsby Benchmarks for good careers guidance.
